

Delete Discussion Board Threads

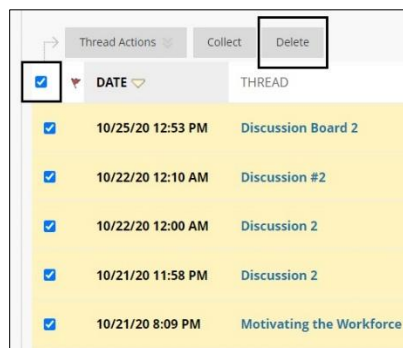

Discussion Board threads can be deleted one by one or all at once within a forum.

Accessing Discussion Board

1. Click on the **Discussion Board** link on the Course menu.
2. Click on the **Discussion Board Forum name in blue** to access the forum and threads.

3. On the Forum page, click on the **Thread action box** in the upper left to **SELECT ALL** threads at once. To only select certain threads, click on the box to the left of the thread. Click on the **Delete button** to delete all threads that are selected.

Note: Deleting a thread in Blackboard is **NOT** reversible. Please make sure the threads selected are correct before clicking on Delete.
