

ADD OR REMOVE ADVANCED CERTIFICATE PROGRAM

This application is only available to currently matriculated John Jay College graduate students. To be considered for admission to an advanced certificate program, master’s students must have a 3.0 GPA and BA/MA students must have a 3.5 GPA. Students who do not meet the academic requirements must seek approval from the respective advanced certificate program coordinator.

Submit completed application to Jay Express at: jayexpress@jjay.cuny.edu or the Office of the Registrar at: registraraudit@jjay.cuny.edu

Note: If you would like to swap certificate programs, you must submit separate applications to remove your current certificate program and add a new one.
