F-1 Curricular Practical Training (CPT)

General Information
U.S. Citizenship and Immigration Services (USCIS) defines Curricular Practical Training (CPT) as employment which is an integral part of an established curriculum, including: “alternate work/study, internship, cooperative education, or any other type of required internship or practicum which is offered by sponsoring employers through cooperative agreements with the school.” [8 CFR 214.2(f)(10)(i)]. CPT is available only prior to the completion of your degree program and you must have a job offer at the time of application.

Eligibility Requirements
To be eligible for Curricular Practical Training, you must:
• have been lawfully enrolled on a full-time basis for one full academic year;
• currently be maintaining a full-time program of study and valid F-1 status; and,
• have a job offer.

Types of CPT
CPT is available in the following cases:
• required part of program- the program requires employment in the field of study to graduate.
• non-required part of program- the practical experience is for credit and directly related to your field of study. You must be enrolled for the course while engaging in this type of CPT.

Part-time vs. Full-time CPT
• Part-time CPT: Employment for 20 hours or less per week is considered “part-time” CPT. Though there is no limitation upon the length of time you may participate in part-time CPT, you must be simultaneously enrolled full-time in order to maintain lawful F-1 status.
• Full-time CPT: Employment for more than 20 hours per week is considered “full-time” CPT. Please be aware that 12 months or more of full-time CPT will cancel your eligibility for Optional Practical Training (OPT).

Contact the college’s Designated School Official (DSO) for an appointment. Bring the following:
• Faculty Advisor’s Recommendation Form For Curricular Practical Training (a copy of the form is attached to this document).
